

REGULATION OF THE ILEO MOBILE APPLICATION

1. This Regulation applies to services rendered electronically by:

The Gdańsk Tourist Organization with the registered office in Gdańsk (80-830), ul. Długi Targ 28/29, NIP 5832887298, REGON: 192882979,

hereinafter referred to as the "Service Supplier".

2. The iLEO mobile application is the software whose objective (functionality) involves:

- the possibility of receipt of the information provided by lion statuettes via beacon transmitters,
- Presentation of the "Lions of Gdańsk" tourist product,
- Presentation of the "Lions of Gdańsk" hiking trail,
- Presentation of offers by partners of the Gdańsk Tourist Organization,
- Possibility to participate in the gamification,
- Transmission of the push information about new functionalities of the mobile application.

The application is installed automatically on mobile devices, in particular, mobile phones, by way of the User's mobile device connecting to application markets offering the downloading of the applicable for mobile devices. In the case of the Android system, the Google Play shop is the application market and, for the iOS system, it is the AppStore market.

3. The User as understood in this Regulation is an individual who, via the iLEO mobile application installed on the User's mobile device, uses the functionalities offered by the application.

4. The iLEO application is free for the User and the access to it is provided via the given application market.

5. In order to use the full scope of the iLEO application, it is necessary to have a mobile device equipped with Bluetooth. No Internet connection is necessary to use the application.

6. The Gdańsk Tourist Organization bears no responsibility for the failure to perform or inadequate performance of the service by telecommunication operators with whom the User has concluded agreements.

7. The Gdańsk Tourist Organization represents that the participation in the gamification being one of the iLEO functionalities entails the User's personal data processing by the Service Supplier. The collection, processing and use of such data by the Service Supplier is necessary to verify the User's participation in the gamification at the moment of its completion understood as the receipt of the award. The Service Supplier shall also use the Users' personal data for marketing purposes. By accepting this Regulation, the User consents to the processing of the indicated scope of his/her personal data by the Gdańsk Tourist Organization and confirms that he/she was informed of the right to access his/her personal data and correct them.

8. This Regulation is supplementary to the privacy policies of the Google Play and Appstore markets. The Service Supplier bears no responsibility for the Google Play and Appstore privacy policies and for

the compliance with the data protection act and the act on the rendering of electronic services by Google Play and Appstore markets.

9. The User can terminate the use of the iLEO application at any time by way of the permanent deletion of the application from his/her mobile device.

10. Materials provided via the iLEO application including, in particular, texts, photographs, videos, audio, compilations and databases are the property of the Service Supplier.

11. The use of the iLEO application in a manner different than permitted is unacceptable without the consent of the Service Supplier.

12. In the event of User's queries regarding this Regulation, please send an e-mail to: got@gdansk4u.pl.

13. The Gdańsk Tourist Organization reserves the right to modify this Regulation; the Users shall be notified of such a change 7 days before its coming into force via the mobile application website the www.i-leo.pl.
